

FOUND YOUTH CURRICULUM

PRINTABLE BOARD DECORATIONS

The Journey Home

PRINT: Use white cardstock when possible. Select Actual Size or 100%. Do not use Fit to Page for the nine tiled map pages.

ASSEMBLE: Trim only the pale overlap margins on the tiled map. Use removable mounting putty, hook-and-loop dots, or pushpins for route pieces and traveler markers.

LAMINATE: Team banners, traveler markers, score key, and winner pennants will last longer if laminated before cutting.

WHAT TO PRINT AND WHEN

A practical checklist for the 13-session competition

PRINT ONCE

Three-page title banner; Wayfinders banner; Trailblazers banner; nine-page map; destination arch; score key; team emblems and traveler markers; monthly chapter signs; session landmark signs.

PRINT FOR EACH MONTH

One Wayfinders route-piece page and one Trailblazers route-piece page. Extra copies are included in this pack so September, October, and November are ready.

PRINT AFTER EACH MONTH

The appropriate menu-winner pennant. Write the meal choice with a permanent marker after laminating, or before cutting if unlaminated.

OPTIONAL

Print a second set of team emblems for table signs. Print additional route-piece pages if a team earns more than 75 points in a month.

ASSEMBLED MAP SIZE: approximately 30 x 20 inches

The remaining pieces are independent and may be spaced to fit a smaller or larger blue board.
